## Secretary for Police Service Message

On the 01st of December 2020, the CSPS joined the world in support of those who died and are infected with HIV/ AIDS.

We also responded to the President's call of remembering all South Africans who succumbed to the COVID-19 pandemic and we continue to urge all citizens to comply with COVID -19 regulations.

On the same day the CSPS men committed to No Violence Against Women and Children through adopting a Departmental Pledge that commits all men to be ambassadors of Gender Based Violence throughout their lives.
